The Committee shall determine the approach and methodologies for the issues, which may arise during the evaluation process and have not been addressed in this EoI Document. This may include eligibility criteria, price negotiation or any addition / alteration required in the terms and conditions. The decision of the Committee shall be final and binding on all the Bidders.

J. Selection process and award of Contract:

The selection process will be done in two stages. Firstly, the document of technical bid will be opened and agencies scoring equal to or more than 60 % marks in the technical bid will be qualified for further process.

Before opening of financial bid, an onsite field visit / presentation through PPT of similar type project implemented by the bidder will be made by a team of evaluators appointed by the competent authority, for those who have qualified in the first round of technical bid. The team will evaluate the management competency, human resources and project operational skill, etc. of the bidder and will give its report to Bid Evaluation Committee with its comment and mark secured by the intending bidder basing on the fact found during the field visit. The provision of onsite field / presentation through PPT is the part of technical bid round and the mark secured will be added to the total mark obtained during technical bid round.

After opening of the financial bid, bidders shall be shortlisted on the basis of the scores obtained on both technical bid as well as financial bid and shall be ranked.

Evaluation of the Proposal:

Bids will be opened and evaluated on the basis of **Quality and Cost Based Selection (QCBS)**. Bids shall be ranked according to their combined technical (St) and financial (Sf) scores using the weights (T = the weight given to the Technical Proposal = 70%; P = the weight given to the Financial Proposal = 30%; T + P = 100%) using the formula:

$$S = St \times T\% + Sf \times P\%$$

Authority is not bound in any manner to select any of the bidders submitting bids or to select the bidder offering the lower price.

The bidder achieving highest combined technical and financial score (S) will get the highest rank, followed by others. Bidder obtaining highest number of points shall be invited for contract negotiations, with a view to clarify any outstanding points, to finalize technical and financial arrangements and, in case of successful negotiation, to sign a Contract Agreement. Bidders submitting the bids should clearly understand that any or all parts of their bids are liable to be part of the negotiation procedure.
